

PART OF
spes GROUP

If the tent is in special offer, the price will be reduced manually after placing the order and sent via email by our Sales Department worker.

Rectangular sheet of fabric (2m x 1,5m). Trimmed edges with 6 points to attach the ropes to. The set also contains 10m of rope.

The sheet can be used as a simple shelter (roof) or a travelling bundle. Can be machine or hand sewn.

In our standard we use linen (about 650g/m2) with waterproof impregnation.

Free shipment in EU is not available for 'Wanderer sheet'
