

PART OF  
**spes** GROUP

**If the tent is in special offer, the price will be reduced manually after placing the order and sent via email by our Sales Department worker.**

Rectangular sheet of fabric (6x4,5m) with trimmed edges, with 10 points where you can fix ropes. The set contains also 40m of rope and 12 pegs.

The shed can be used as a simple shelter protecting from sun and rain (roof) it is an integral element of a medieval camp. There are no poles in the set.

In our standard we use linen (about 650g/m<sup>2</sup>) with waterproof impregnation.

Available modifications:

**Coloured tapes** - Coloured decorative tapes along the seams. Made of 3cm wide cotton tape.

**Decorative merlon** - Decorative merlon, different than standard one (type 1). Three options available: tooth type (t. 2), crenels type (t. 3), waves type (t. 4).

**Hand painted tent** - Painted tent according to customer's suggestions.

The set consists of:

- the fabric
- 40 m of linen rope
- 10 pegs + 2 spare
- sack for pins
- sack for the tent.
